

Final project: Project proposal

Due by **M Nov 8** at **9pm** via Sakai “[Assignments](#)” (15% of project grade)

- See “Final project information” handout for more details (https://users.castle.unc.edu/~jlsmith/ling225/handouts/ling225_final-project.pdf)
- Reminder: Use the *Unified Style Sheet for Linguistics* for citation format (http://www.linguisticsociety.org/sites/default/files/style-sheet_0.pdf)
 - Most useful strategy with this document: skip to the bottom and look at examples of the kind of source you are citing (journal article? chapter in edited book? etc.)

Grading criteria: Project proposal

Excellent (A)	Competent (B–C)	Needs work (D–F)
<ul style="list-style-type: none"> • Myth, clearly stated • Big-picture qn from article, clearly stated • Measurable qns for expts you will use • Full article citation in linguistics format • Simple URL (web link) or DOI • Data graphic identified • Submitted on time 	<ul style="list-style-type: none"> • Myth, indirectly or unclearly stated • BPQ, indirectly or unclearly stated • Not all relevant specific qns included • Citation incomplete or wrong format • URL doesn't work • Data graphic not identified • <2 hours late 	<ul style="list-style-type: none"> • No evident myth • No BPQ • Few/no specific qns • No citation provided • No URL provided • Source has no data gr. • >2 hours late
