

LING 523: Squib presentation

	Excellent (A)	Competent (B-C)	Needs work (D-F)
Analysis and discussion of project	<ul style="list-style-type: none"> • Main proposal clearly stated up front • Desc generalizations insightful • DG supported: ample organized data • Constraints phonologically insightful • Constraints defined; ranking args valid; phono formalisms used • Analysis technically accurate • Project complete (may be first pass) • Discussion focused on main point(s) • Class knowledge used appropriately 	<ul style="list-style-type: none"> • Has ppsl, but not clear not up front • Desc gen not fully insightful • Data sparse or not well orgnzd • Constraints miss some insights • {Some Few} constraints defined • {Some Few} ranking args valid • {Some Few} formalisms used • Some technical problems in analysis • Project {mostly partly} complete • Needs more focus on main point(s) • Some class knowledge used 	<ul style="list-style-type: none"> • No discernable proposal • Desc gen problematic or missing • No supporting data • Constraints not insightful • Constraints not defined • No valid ranking arguments • No formalization • Serious technical probs in analysis • Project seriously incomplete • Serious underuse of cls knowledge
Mechanics of handout/slides	<ul style="list-style-type: none"> • Handout or slides submitted on time • Handout or slides helpful to audience • New terms/formalisms explained • Citations at relevant points and bibliography with full references 	<ul style="list-style-type: none"> • Handout or slides >1 hour late • Handout/slides hard to read/process • Some new terms/formalisms expl • Citations during presentation or bibliography at end, but not both 	<ul style="list-style-type: none"> • No handout/slides in advance • No handout or slides at presentation • Most new terms/formalisms not expl • No citations or references given
Timing and scope of project	<ul style="list-style-type: none"> • Time: 10-15 min • Appropriate scope for project 	<ul style="list-style-type: none"> • Longer than <u>16</u> minutes • Scope somewhat too wide/narrow for size of project 	<ul style="list-style-type: none"> • Shorter than 10 min • Scope much too wide/narrow for size of project
Comments for other presenters	<ul style="list-style-type: none"> • Posted questions/comments; >3 were thoughtful/engaged with content 	<ul style="list-style-type: none"> • Posted questions/cmts, but 3 or more were superficial (typos etc.) 	<ul style="list-style-type: none"> • Didn't post questions/cmts
