Midterm feedback survey | SoJ, Fall 2026 (5/8 responses)

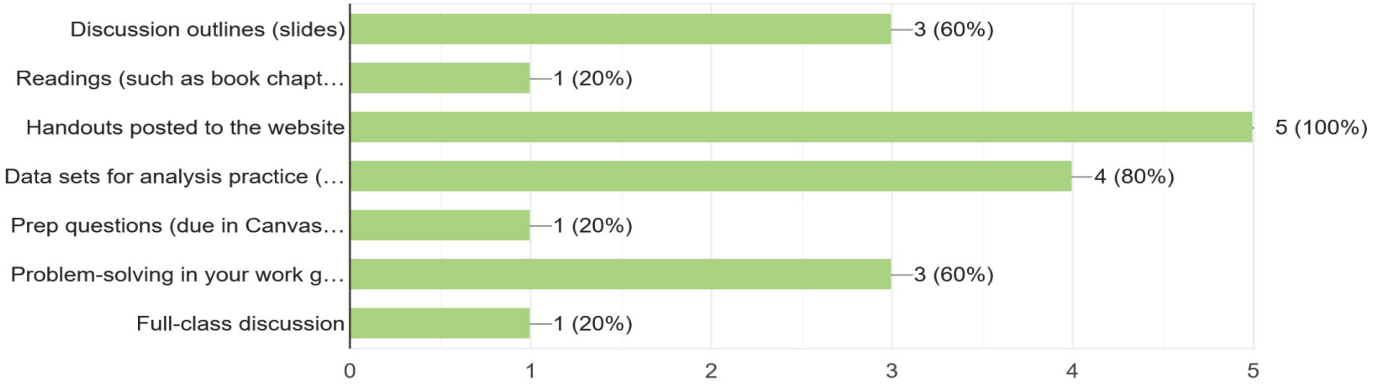

How does the pace of the class feel to you, in general?

5 responses

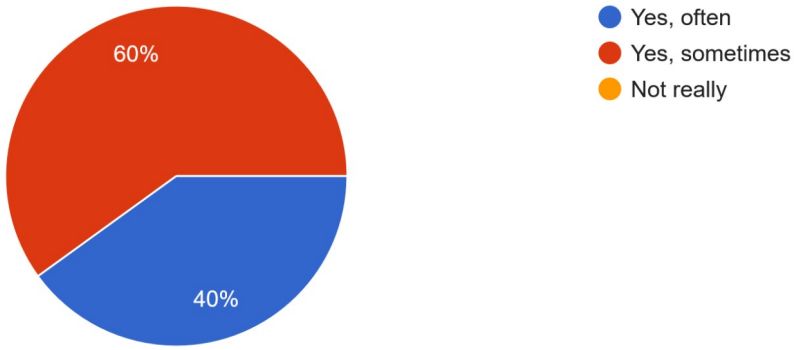

Which class materials or activities do you find to be helpful for learning and understanding course skills and concepts? Select all that apply.

5 responses

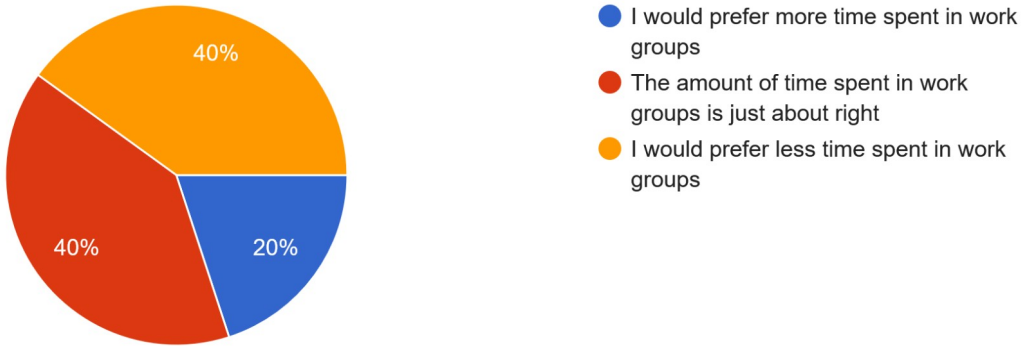

(The next few questions are about your experience with your assigned in-class work group.) Does discussion and problem-solving in your work group...r than you would have understood it on your own?

5 responses

How do you feel about the proportion of class time spent on discussion and problem-solving in work groups?

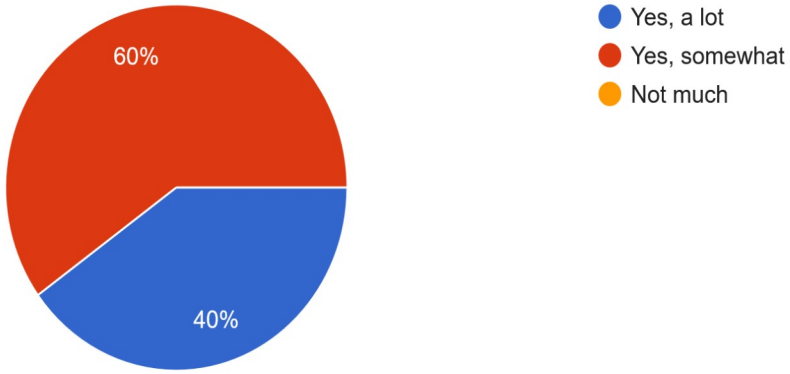

5 responses

- “I like it when we have slightly longer stuff to discuss and then come back to a full class discussion, rather that switching back and forth quickly”

Do you feel that the contributions of the other members of your group are helpful to you?
